

18th December 2017

Dear Parents/Carers,

In my letter to you last week I wrote the following.

'As you will be aware the school was recently inspected by Ofsted. The last time Ofsted inspected the school was in 2013 and they had been due to visit us since September 2016 so I was very pleased to welcome them to our school. When their report has passed through all its checking stages and becomes official I will inform you and place it on our school website. It will also be published on Ofsted's website. This normally takes approximately three weeks from the time the school was inspected but due to the holiday period this may take a little longer. The Lead Inspector asked me to thank all the students of Wexham for the exceptionally warm and pleasant welcome they gave and their cooperation and willingness to share all their opinions on the school when asked, I have done this through assemblies but I thought I would also share this with you.'

I am now very pleased to inform you that the report has been officially released and will be available on Ofsted's website soon. However, I have also placed it on our school website in the news section and also under the Ofsted section.

The School has been graded as GOOD in all categories. This gives us a very strong platform to develop further and I am very proud of all my students and staff. This reflects their hard work and the improvements the school has made in recent years.

Thank you for your continuing support and I wish all parents and students a Happy Christmas Holiday and look forward to welcoming everyone back in the New Year.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Lawrence Smith', is written over a light blue horizontal line.

Mr Lawrence Smith
Headteacher
