

PLAN YOUR FUTURE WORK & STUDY

Careerpilot is a web based career tool for 11-19 year old students. Students and parents can access the website using the web link: www.careerpilot.org.uk. The resources on this website are free for all to use and **students must register and create an account** (username and password) to maximize the benefit to be gained from using the website by personalising resources to their requirements. Please see below screenshots showing what guidance it offers.

Click here to access **Home Learning activities** for every year group (7-13) and **Online Tutorials**

Click here for Quick tips on different **Pathway choices**

Parents can click here to access information to support their child

Things that you can **personalise** as you browse through resources on the website.

The screenshot shows the Careerpilot website interface. At the top, there is a navigation bar with links for Home, Advisor Zone, Parent Zone, and a search bar. Below this is a yellow banner titled "Coronavirus: Keeping your career planning on track" with buttons for "Home Learning" and "Online tutorials". A callout box points to these buttons. Below the banner are "Top tips if you are thinking about:" buttons for "A levels", "Apprenticeships", "College", "University", and "Jobs or experience". A callout box points to these buttons. The main heading reads "Careers information and tools for 11-19 year olds, all in one place". Below this is a "Where do I start?" section with three numbered steps: "1. Start with you", "2. Explore your options", and "3. Plan your next steps". On the right side, there is a "CAREER TOOLS" sidebar with a list of personalized items: "Post 16 Skills Map", "Pre 16 Skills Map", "My Qualifications", "My Job Sectors", "My Providers", "My Courses", "My Bookmarks", "My Next Steps", and "My Action Points". A callout box points to this list. At the bottom of the sidebar is a button that says "View your full report & your next report".

Home Learning Activities (Students)

Also in this section

- > Home Learning Activities for all year groups

Home Learning Activities for all year groups

- On this page:**
- [Home Learning session for every year group](#)
 - [Free online courses for Y11 - Y13 on a course/topic you might want to do in the future](#)
 - [Future Quest also have some resources you can access for free](#)
 - [Careers that can help in a coronavirus crisis and which jobs will grow now?](#)

We have put together some activities that students who are working from home can do, to help them find out more about their future options/career.

Each activity sheet prompts the students to work through the suggested activities on Careerplot and ties in with our PSHE Scheme of work.

Each sheet should take students approx. 1 hour to complete.

More free resources can be found in the [adviser zone](#) for [KS3](#), [KS4](#) and [KS5](#) students.

These are the resources provided under **Home Learning section** for every year group (see main screen for icon). There are also some useful **videos** to watch.

Home Learning session for every year group

Finding out more about jobs and careers

- Help with choosing or finding a course
- Help with money
- Help with revision
- Virtual options and career fairs

Clicking on **online tutorials** icon on home screen gets you here. Again resources available for all year groups. Some useful **videos** to watch.

Online tutorials for every year group

 Y7 Online course	 Y8 Online course	 Y9 Online course
 Y10 Online course	 Year 11 - Online course Y11 intended to study A level/Vocational course at Y11	 Year 11 - Online course Y11 intended to study A levels

Other useful websites:

1. My Choices: <https://learnliveuk.com/the-careers-enterprise-company-my-choices/>

My Choices is a national, student-facing, online event, on August 3rd, aimed at 16-18 year olds to support students like you in feeling more confident and prepared on results day. The event will take place with plenty of time for you to consider all your options and feel ready on the day.

2. **Berkshire Opportunities:** www.berkshireopportunities.co.uk

Thames Valley Berkshire LEP has launched Berkshire Opportunities, the area's premier gateway to finding out about jobs, apprenticeships and Further Education and Post 16 courses as well as local career path options.

3. **Microsoft Live Apprenticeships:**

Microsoft Apprenticeship recruitment [is now live](#). There are Level 3 and Level 4 apprenticeships available. On the website you will find webinars for each level of apprenticeship which students can sign up for to learn more about the opportunities on offer. Use this link: https://www.getmyfirstjob.co.uk/OurNetworks/Employers/details/119/microsoft?mc_cid=4899e5fb70&mc_eid=%5bUNIQID%5d

There's also an opportunity for everyone to learn new skills with Microsoft's free digital skills training where they will get to learn more about the skills needed for Microsoft's apprenticeships, and the skills that all employers will be looking for. Exam Results Helpline 2020

The National Careers Service will be running the Exam Results Helpline from 13th August until Friday 28th August. The helpline is available to young people and their parents/carers to help them with advice on their next steps. They can contact the helpline on 0800 100900 which will be open daily from 8am to 10pm. Beyond 28th August, young people will be able to access ongoing support from the National Careers Service by calling 0800 100900, visiting the website, or searching for the National Careers Service on Facebook and Twitter.
