

Wexham School Post 16 Catch-up Funding Plan

Wexham School's aims to further develop the knowledge and skills, and to bridge any learning gaps due to the Covid-19 pandemic, of our post-16 students.

In addition to their timetabled subject sessions there will be small group tuition sessions, which will be conducted by our current staff or external credible sources. The small group tuition objective is to maximise exam achievement.

It is our intention at Wexham School to do the following:

- Small Maths and English tuition groups for students that have achieved a grade 4 in English and Maths at GCSE
- Provide subject support through designated coaching and smaller group tuition
- A Level revision support
- Academic skills support and development

During the national lockdown we intend to do the above remotely and ensure students have access to the wealth of resources and support available online.

Wexham School Post 16 Catch-up Funding Plan

Activity	Setting up	Year group	No of Students per session	No of Groups per subject	Length of Session	No of Sessions	Cost per Session	Total Cost
One 2 Once Catch up	<p>Selected students who meet the criteria will have an initial meeting with their LOY. Each student will be matched with a subject specialist tutor. Tutors will set independent learning work and focus on exam papers with students. These sessions can happen in school or during a lock down.</p> <p>Sessions held in school: Sessions will be held by a member of staff.</p> <p>Sessions held during the lockdown: All sessions will carry on during the lockdown because Wexham has the facility for remote learning. Teachers will arrange a suitable time with student and let the LOY/LOD know when the session will be. Lessons will be recorded to allow the students to be able to go back to it for reference.</p>	Y12 & Y13	10	N/A	1 hour	1	£300.00	£3,000.00
High quality work experience	<p>As students were not able to find part time jobs during the last year, Wexham is in a position to liaise with InvestIN www.investin.org too create the 'ultimate work experience' for students post 16 students, in the subject or career path they wish to follow. The purpose is to give them the knowledge, experience, advantage and network they need to have a head-start in their dream career.</p> <p>The programmes contain a blend of interactive simulations, company visits, seminars, networking sessions and career coaching advice, all carefully curated and delivered by experts from those industries.</p> <p>InvestIN offer experiences in: Architecture, Art, Computer Science,</p>	Y13	7	N/A	2 Days	1	£295.00	£2,065.00
