

13th May 2021

Dear Parent/Carer

Thank you for accepting your place at Wexham for your son/daughter to join us in September 2021. I very much look forward to meeting them on Induction Day.

Please find enclosed an Induction Booklet with key information about Wexham School, including Term Dates, uniform etc. I am sure you will find this very helpful. Also included is an Admission Form with a prepaid envelope. I would be very grateful if you could complete this form as soon as possible and either post it back to us or drop it in at reception.

During the week commencing Monday 9th - Friday 13th August we will be running a Summer School Program for Year 6 into 7 students. During this week there will be a focus on literacy, enrichment and well-being using creative and sports activities and we are very much hoping to be able to include at least one day trip out of school. At the moment I am trying gauge how much interest there would be so we can start planning this in earnest. If you would like to express an interest in your son/daughter taking part please do return the reply slip below. This would be highly beneficial to them before they start with us in September but obviously we know many of you may have holidays booked or catching up with relatives after the difficult year we have been through.

Slough Secondary and Primary Headteachers are also very keen for the Year 6 Induction Day scheduled to take place on Tuesday 6th July. With the government easing more restrictions we do believe this will happen and should this be the case I will write to you again nearer the time.

Mrs Spina-Beatty will be over seeing Induction this year and will be your child's Assistant Leader of Year in September. She will be visiting all primary schools before the end of the year to meet your son/daughter in person.

Please do not hesitate to contact us for further information and once again I look forward to meeting «Forename» as they start the exciting next stage in their education.

Yours faithfully

Mr Lawrence Smith
Headteacher
