

4<sup>th</sup> October 2021

Dear Parent/Carer,

As you are well aware, children are exposed to so much more than we ever had access to in our childhood. Through various mediums there are opportunities for children to accidentally or deliberately be exposed to unwanted or inappropriate content or comments. It is extremely important that together, school and home must work in partnership to make sure that our children and young people are safe.

Therefore, on Thursday 14<sup>th</sup> October from 5:30-7pm we would like to invite you into school for an opportunity to explore the following topics:

- Keeping your child safe online
- Peer on peer abuse/bullying
- Sexual violence and sexual harassment
- Sibling sexual abuse

Whilst all of the above topics are taught to your children throughout the curriculum across various subjects including PSHE, assemblies and during tutor time, it is crucial that as parents/carers you are kept up to date with what your children can access, the signs of potential harm and what to do if you suspect inappropriate use of any form of technology or interaction.

The evening will consist of a presentation, followed by an opportunity to ask questions and some light refreshments with all social distancing measures in place. In order for us to plan for numbers, please complete the slip below to confirm your attendance.

I look forward to seeing as many of you there as possible.

Yours sincerely

Mrs Michelle Stephenson  
**Deputy Headteacher & Designated Safeguarding Lead**
