27TH January 2022

Dear Parent/Carer

As you are aware, we took the difficult decision to move all Year 12 lessons to remote learning from Thursday 20th January 2022, to reduce the risk of further coronavirus infection spreading through this year group. From Monday 31st January 2022 we expect Year 12 to return to face to face lessons in school. If your child is showing symptoms please ensure they take a PCR test and self-isolate until receiving the result.

To ensure we reduce the chance of further measures being needed we will be testing every Year 12 student on site on Monday morning, unless you have previously not given consent for testing. Students are required to be at the Dance Studio at 8.40am and will return to lessons once we have tested and processed their result. This will take approximately 20 minutes from when they complete their test. This will allow us to identify any further asymptomatic cases before students are mixing in classrooms and independent study spaces.

We are continuing to wear face masks inside all buildings and expect Year 12 to follow this guidance to help reduce the likelihood of further disruption to their learning.

I would like to thank you for your support and look forward to welcoming Year 12 students back to the school on Monday.

Yours sincerely

Ad Fletcher

Mr Adam Fletcher
Deputy Headteacher
