

# TEXTILES

## Learning Journey

Construct **FOOD & DRINK** themed soft sculpture

FINISHING and EVALUATING your product.

PATTERNS AND GRAPHIC NET construction

Textile craft postcard

EMBELLISHMENT  
Learning basic embellishment techniques.  
Buttons, beads, sequins, lace.

Zip Open & Close very Smoothly

Revision of fabric properties

GCSE OPTIONS  
Choose to take GCSE DESIGN TECHNOLOGY or not

ARTIST RESEARCH:  
Lucy Sparrow and Holly Levell

TEMPLATE CONSTRUCTION  
Measuring & numeracy/marketing out/scaling

INTRODUCTION TO **SOFT SCULPTURE PROJECT**

FABRIC & FIBRE PROPERTIES  
Developing an understanding of the properties of man-made fibres and fabrics.

Construct crazy creature

FINISHING and EVALUATING your product.

9

SURFACE DECORATION  
Batik/layered and ripped applique/mono printing/fabric paint/fabric pens.

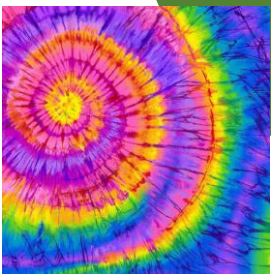

MOODBOARDS  
Understanding mood boards and their purpose in textile design.  
Research/IT software

RESEARCH TASKS  
Researching existing textile products and disassembly.  
Research/IT software

Make a fleece hedgehog

Making a simple SEAM.

TIE & DYE  
Experimentation using a variety of tie dye techniques working up to two colours.

STITCHING TECHNIQUES  
Hand embroidery/machine stitching

SEWING MACHINE re-cap including sewing license.

CONSTRUCTION TECHNIQUES  
Pinning/templates/cutting fabric/hand embroidery techniques/machine operation/embellishment.

Construct wall hanging

FINISHING and EVALUATING your product.

YEAR 8

NATURAL FIBRES  
Identifying and developing an understanding of natural fibres.

INTRODUCTION TO **CRAZY CREATURE PROJECT**

Make a weaving sample

SEWING MACHINE  
Learning the basic operation of the sewing machine. Knowledge of machine components/operation.

welcome

YEAR 7

RESEARCH TASKS  
Using research skills to develop and expand knowledge.  
Research/IT software

APPLIQUE  
Learning the process to create pattern, shapes and images on fabric using the applique technique.  
Pinning/templates/cutting fabric/hand embroidery techniques/machine operation/embellishment

HAND EMBROIDERY  
Learning the basic techniques of applying pattern to fabric using hand embroidery. Running stitch, back stitch, cross stitch and chain stitch.
