## WEXHAM SCHOOL CONTINUES TO ACHIEVE IN GCSE'S

Wexham School is  
a truly inclusive  
school

We are very proud  
of our students  
results.

62% of our  
students achieved  
a Level 4+ in  
English

As a truly inclusive school, as recognised by Ofsted in May 2023, in a fully selective authority, we are very proud of our students results this year.

A lot of dedicated hard work went into these by our students. The School achieved 62% of students achieving Level 4+ in English and 50% in Maths. Given the challenges that many of our students have to overcome this is tremendous. A large number of students achieved the top grades of 7, 8 and 9 in many subjects, which is excellent, but to us many students achieving 2s or 3s is equally worthy and we are proud of them.

A special mention to one of our students with an Education Health Care Plan that achieved two grade 8s, four grade 7s and two grade 6s, a superb achievement.

**Lawrence Smith – Headteacher**

# Year 13 All Grown Up: Off to University - It's a 'Higher' Adventure Now!

We are pleased to share the news that our Year 13 students at Wexham School are ready to embark on their University adventures. They have secured spots in some of the UK's top institutions. David is setting sail for Portsmouth University, where he will be diving deep into the world of renewable energy engineering.

Yeshna is about to further develop her creative marketing skills at Brunel University. Her journey down the road to Brunel promises exciting opportunities, and we can't wait for her to keep us updated.

Laiba, with a flair for numbers and a passion for finance, is heading to Kingston University to pursue Accounting and Finance. We have every confidence that her skills will shine bright.

Our Year 13 students achieved impressive results in their A-levels, which opened the doors to these prestigious universities. Their hard work, dedication, and commitment have paid off, well done all!

This achievement wouldn't have been possible without the support, advice, and guidance from the dedicated team at Wexham School. Our teachers and staff have worked tirelessly to empower these students, ensuring they had the tools and knowledge needed to reach their desired destinations.

As these bright minds prepare for this exciting new chapter, we extend our congratulations and warmest wishes. The future is bright for each one of them, and we can't wait to see the incredible impact they will make on their respective fields.

# WEXHAM SCHOOL: WHERE LEARNING NEVER STOPS!

The dawn of a new academic year had arrived, and here at Wexham, we believe in kicking things off in style! Our teachers and staff were treated to an INSET day at Eton Dorney Lake, and it's safe to say, it was an experience to remember.

A huge thank you to our Headteacher, Mr. Smith, for orchestrating this gathering. Eton Dorney Lake served as the perfect backdrop for us to come together, collaborate, and set our sights on the aims for the upcoming academic year.

The beauty of Eton Dorney Lake, with its tranquil waters and scenic surroundings, provided an inspiring setting for our day of reflection and planning. As we sat by the water's edge or walked along its paths, ideas flowed freely, and the enthusiasm for the year ahead was evident.

Our theme for this academic year is "Challenge for All," and the day at Eton Dorney Lake perfectly embodied this ethos. It's about pushing boundaries, embracing growth, and, most importantly, ensuring that every member of our school community is provided with the tools and support they need to challenge our students to succeed.

What was clear from the day was that we are all working towards a common goal – to provide the best possible education and support to our students.

Here's to a fantastic year ahead, filled with achievement, and the knowledge that we are all up to the Challenge for All!

# BIG SCHOOL, BIG DREAMS

The first day of secondary school marks a significant milestone in a student's life. It's a moment filled with a mix of excitement, curiosity, and perhaps a touch of nervousness.

At Wexham, we understand the importance of this day and go above and beyond to ensure that it's not just the beginning of a new chapter but the start of an incredible adventure.

For our students, it's a time when they leave behind the familiar and enter a larger, more diverse educational environment.

One of the key aspects of making the first day special at Wexham is our warm and inclusive atmosphere. Welcome to our new year 7 cohort.

## Brewing Hope: Wexham's Sweet Success with Macmillan Coffee and Cake Morning

Our dedicated staff at Wexham School recently came together for an initiative. We hosted a coffee and cake morning with one goal in mind: to raise funds for the Macmillan Cancer Support charity.

It was a morning filled with treats and warm conversation, bringing our school community closer while supporting a noble cause. The event highlighted not only our staff's commitment to education but also their compassion to make a positive impact beyond the classroom.

We're proud of their efforts in supporting the Macmillan Cancer Charity, showing that a simple cup of coffee and a slice of cake can go a long way in making a difference in the lives of those who need it most.

# Stepping Up for a Healthier Tomorrow: Wexham's National Fitness Day Walkathon

Wexham School recently played host to a whole school walkathon in celebration of National Fitness Day.

The event was met with enthusiasm and participation from every student. It added an element of friendly competition, as the walkathon was an inter-house competition, with each house vying to walk the most steps.

Beyond the thrill of the competition, our students embraced the true spirit of giving, as the event served as a fundraiser for one of our selected charities.

The results, featuring the winning house and the total amount raised, will be revealed in the next edition of @Wexham in December.

We are proud of our students' commitment to both fitness and supporting charities, and we can't wait to share the exciting outcomes with the entire Wexham community.

# Adventure-Filled Cultural Capital Days for All!

At the start of the term, our students were buzzing with excitement as they embraced a series of external visits, all designed to enhance their cultural capital. These experiences were more than just field trips; they were adventures that broadened horizons, sparked curiosity, and fostered a deeper understanding of the world around us.

Our sixth form students stayed at school and enjoyed an action-packed day filled with laser tag and zorbing. With plenty of fun and adventure, they embraced the thrill of laser quest and the sheer excitement of rolling in zorbs right on our school grounds. It was a day filled with laughter and unforgettable memories, showcasing that even when we stay on-site, we know how to make every moment count.

Year 9 students had a fantastic time at Boscombe Bay, spending a day by the seaside. The excursion was not just a break from their regular routines but an opportunity for them to soak up the sun, feel the sand beneath their feet, and listen to the soothing sounds of the waves. Despite a little downpour, they had a fun filled day full of adventure!

**WHY NOT FOLLOW US ON TWITTER: @WEXHAM\_SCHOOL**

Year 10 had a treat as they embarked on a thrilling adventure to Thorpe Park for a day of pure fun. The park provided the perfect backdrop for our students to let loose, scream on roller coasters, and embrace the adrenaline rush of various rides and attractions. It was a day filled with laughter, adrenaline, and a sense of togetherness that goes beyond the classroom. The trip to Thorpe Park was a fantastic opportunity for our Year 10 students (and staff) to bond, create memories, and reminding themselves that sometimes, the best lessons in life come from moments of sheer enjoyment and excitement.

Year 7 students ventured into the captivating world of the Royal Botanical Gardens at Kew. With curious minds and eyes wide open, they explored the vibrant landscapes, immersing themselves in the wonders of biodiversity.

Beyond science, the visit emphasised the importance of cherishing the natural world, leaving our young adventurers with a newfound appreciation for the beauty and fragility of our planet. It was an inspiring day that nurtured their love for learning and the environment

# Open Evening 2023

Our recent Open Evening at Wexham School was a huge success as we warmly welcomed prospective students and their families to witness our vibrant school in action.

It was a night filled with excitement, exploration, and inspiration, as visitors had the opportunity to explore all areas of our school, from state-of-the-art classrooms to the wide range of extracurricular provision that we offer our current students.

The highlight of the evening was the informative speech delivered by our Headteacher, Mr. Smith. His words resonated with the families, offering a glimpse into the school's vision, values, and commitment to nurturing excellence.

The event not only showcased our school's inviting atmosphere but also allowed us to share our passion for education with the wider community, leaving everyone with a positive and lasting impression of Wexham School.

If you missed our Open Evening but are eager to experience Wexham School, don't worry! We've got you covered.

Simply send an email to [post@wexham.slough.sch.uk](mailto:post@wexham.slough.sch.uk), and we will be delighted to arrange a personalised tour of the school for you.

We believe that seeing our school in action is the best way to discover what makes Wexham truly special. We look forward to welcoming you and showcasing the unique opportunities our school has to offer.

# Building Success Together: Wexham's Whole School Academic Progress Day

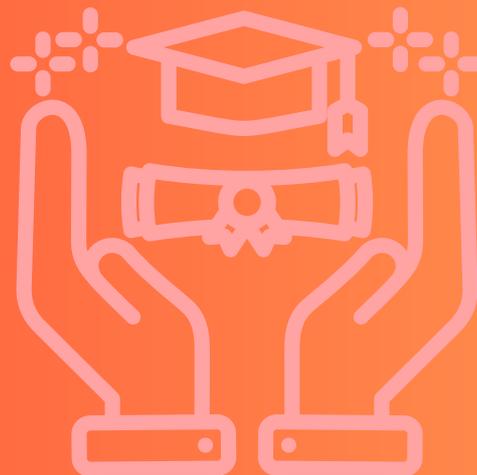

Our recent Whole School Academic Progress Day was a huge success as we opened our doors to parents, fostering a strong sense of partnership in the pursuit of student success.

This special day provided a valuable opportunity for parents to meet with their child's form tutor and engage in meaningful discussions about their academic journey in the new school year.

Conversations spanned a wide spectrum, covering academic achievements and overall well-being.

It's a day that underlines our commitment to working closely with parents, recognising that when students, teachers, and parents collaborate, every child can thrive.

At Wexham School, it's not just about the education; it's about creating a supportive and happy community that champions the success and well-being of each student.

# Year 12 Shining a Light on Black History Month at Wexham School

**BLACK HISTORY MONTH**

Our Year 12 students have stepped up as dynamic leaders, taking the spotlight in leading year group assemblies to elevate the profile of Black History Month.

Their efforts to celebrate and educate on the contributions and achievements of Black individuals throughout history have been truly inspiring.

Through their engaging presentations, they have brought attention to important figures and events that deserve recognition.

This initiative not only raised awareness but also fostered a sense of unity and appreciation within our school community.

## Investing in the Future of Teaching at Wexham School

Wexham School has a long history in supporting our early career teachers. We recognise that these educators bring fresh perspectives, lots of enthusiasm, and a commitment to shaping the future of education.

Our comprehensive support system includes tailored mentorship for our ECT's, professional development opportunities, and a collaborative environment that encourages the exchange of ideas and best practices.

We believe that by nurturing and empowering our early career teachers, we are not only enhancing their teaching abilities but also ensuring a brighter and more innovative educational experience for our students.

# Charting Futures: Year 12 Soars at SEGRO Learning to Work Network Event

Year 12 students had the opportunity to attend the SEGRO Learning to Work Network event, and the benefits from this experience were inspiring.

This event provided a valuable platform for our young leaders to connect with industry professionals, explore potential career paths, and gain insights into the world of work. The interactions were eye-opening, as they learned about various industries, job roles, and the skills required for success.

The event not only broadened their horizons but also inspired them to set ambitious career goals. It was a fantastic chance for our Year 12 students to build essential networks, helping them transition from school to the professional world with confidence and a clear sense of direction.

The SEGRO Learning to Work Network event was a stepping stone in their journey towards a successful future.

# Fencing Frenzy: Year 8 Thrives at SSSN's Exciting Festival

Year 8 students recently delved into the world of fencing, thanks to the Slough School Sport Network (SSSN). This exciting fencing festival introduced our students to an exciting and skillful sport and further provided them with a platform to showcase their agility, coordination, and competitive spirit.

The event encouraged teamwork, discipline, and a strong sense of sportsmanship as our students faced off against their peers. It was an opportunity to learn a new sport and to foster an appreciation for dedication, technique, and determination.

We're proud of our Year 8 students for embracing this unique experience and demonstrating their enthusiasm for exploring new activities.

## Empowering Success: Year 11 Parent Information Evening at Wexham

Our Year 11 Parent Information Evening was a well attended event designed to equip parents with the knowledge and resources to provide the best support for their children during this critical academic year.

The evening provided valuable insights into exam preparation, study techniques, and the importance of maintaining a balanced approach to learning.

It was an opportunity for our teaching staff to partner with parents, fostering a collaborative atmosphere to ensure the success and well-being of our Year 11 students.
