The students will have allocated slots to visit the fayre with their year group as detailed below:

- Period 2 – Year 12
- Period 3 – Year 10
- Period 4 – Year 9
- Period 5 – Year 8
- Period 6 – Year 7

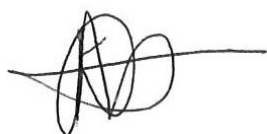

It would be useful if you could discuss with your child the type of questions that they may find helpful to ask prospective employers and universities. Listed below are some examples that you may find helpful:

1. What qualifications did you study to secure your job?
2. What types of jobs and industries does the course lead you too?
3. What experience and skills do I need to work in the field?
4. How many years did it take to train?

Students will be supervised by their teachers at all times and are expected to uphold Wexham's values and act as ambassadors for the school.

We do hope that your child will find this experience useful in thinking about their future plans.

Yours faithfully

Mrs K Nolan  
Assistant Headteacher
