

1<sup>st</sup> May 2025

Dear Parent/Carers

Thank you for attending Year 9 Parents Evening this week and for the many questions about the Pathways process overall and the subject choices your child now faces. I have attached a copy of the Pathways presentation which we displayed in the Main Hall during Parent's Evening that many of you were taking note of.

You will undoubtedly want to take the time to read the Pathways Information Booklet on the school website and discuss your child's subject preferences for their studies at GCSE level next year. Your involvement and guidance in supporting your child through this process is essential.

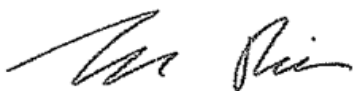

If you require further support and guidance and wish to discuss your child's pathway or subject preferences then please attend the **Year 9 Pathways Information Afternoon on Thursday 8<sup>th</sup> May for a drop-in appointment anytime between 4:00pm – 6:00pm.**

The Inclusion Team responsible for the Alternative Pathway, the Leaders of Science and IT; the Pastoral and Senior team will be on hand to meet whenever is convenient for you. Appointments will be assigned on arrival and should take no more than 5-10 minutes.

**IMPORTANT:** The final deadline for all completed Pathways forms to be returned to your child's form tutor or Leader of Year is **Monday 12<sup>th</sup> May.**

Should you have any remaining questions regarding your child's report or the Pathways process overall then please do not hesitate to contact the Leader of Year, Ms Yousaf or Assistant Leader of Year, Ms Gumbs, who will be happy to discuss this with you.

Yours faithfully

Tom Rich  
Deputy Headteacher – Curriculum
