

6th May 2025

Dear Parent/Carer

We are pleased to inform you that on Friday 23rd May we will be celebrating Wexham Culture Day 2025. This will be a fantastic opportunity for our school community to come together to celebrate and explore the cultural diversity that exists within Wexham School.

During lessons 1 to 3, the students will be taking part in cultural enrichment activities, these will be delivered by departments across the school. Each subject will explore a cultural theme related to their discipline, allowing students to learn about traditions, achievements, and creativity from around the world.

Lessons 4 to 6 including lunchtime, involves hosting our Culture Day Fayre. Students from Year Groups 7 to 10 will be taking part in an Interform competition, each tutor group will be running their own stall in an effort to raise as much money as possible for their House Charity. Each group will plan, fund, and run their own stall, with approval from staff to ensure variety and safety. It promises to be a fun and engaging afternoon, where students can enjoy activities and buy items from a wide range of culturally themed stalls.

Students are permitted to bring in their own money to spend at the fayre; however, the school has set a limit and students should not bring in more than £10 in total. All money raised will go directly to the House Charities.

In addition to the Fair, the day will feature a Culture Day Talent Show and a Cultural Fashion Show, where students are invited to perform and showcase traditional clothing from their cultural backgrounds. To help celebrate this event in style, students are can wear their own cultural clothing on the day as we have done in previous years. This is a great opportunity to promote pride in identity and inclusivity within our community.

We look forward to making Wexham Culture Day 2025 a meaningful, educational, and enjoyable day for all involved. Thank you for your continued support.

Yours faithfully

Mr Clark
Assistant Headteacher
