

10th October 2025

Dear Parents & Carers

Subject Clinics & Schedule

We are delighted to announce that GCSE and A-Level Subject Clinics will commence from **Monday 13th October for all students in Year 11 and Year 13**, every Monday to Friday.

Having spoken to students in assembly this week, I now write to **enclose our full Subject Clinic Schedule below** with clinics held before, during and after the usual school day.

Subject Clinics intend to address and target any gaps in knowledge or exam technique which we have identified for improvement from the Year 10 and Year 12 PPEs (pre-public-exams) in June. Each session has been specifically designed to focus on and close these gaps and it would be extremely advantageous for your child to attend as often and as many of these sessions as possible.

Subject Clinics involve additional teaching and learning time as part of smaller groups of students, led by our experienced members of staff; extra learning and access to subject experts outside of the usual school hours makes a significant difference in student outcomes in the summer exams.

We have made students aware that these are drop-in sessions and they have the freedom to make their own decisions about which they wish to attend each week. A small number of students will be targeted to attend English, Maths, Science, History or Geography this term and will receive further communication on this matter in due course.

We look forward to working with your child on achieving our common goals as we collectively **'Strive For Five Grades, At Grade Five'** this summer.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Mr Rich'.

Mr T Rich
Deputy Headteacher – Curriculum

WEXHAM SCHOOL
