

16th October 2025

Dear Parent/Carer

Sixth Form Subject Taster Day - Tuesday 22nd October

We will be holding a Sixth Form Subject Taster Day on Wednesday 22nd October. On this day, students will not attend their regular lessons during periods 1 to 6. Instead, they will participate in taster lessons covering six subjects offered in our Sixth Form curriculum.

Each student will receive a personalised schedule for the day and will be required to attend in full school uniform. Please note that students will not be permitted to leave the school premises during the day.

All Year 11 students are expected to participate and have already selected the subjects they wish to explore. Additionally, students who are interested in applying to colleges, apprenticeships, or other post-16 options may be invited to a separate event on the same day, where they will receive guidance on college and apprenticeship applications as well as participate in mock interview workshops.

We look forward to a productive and informative day for all.

Yours faithfully

K Reeves-Williams
