## Spring Term Subject Clinics Schedule

Dear Parents & Carers,

I am writing to inform you that GCSE and A-Level Subject Clinics will re-commence from **Monday 12<sup>th</sup> January for all students in Year 11 and Year 13.**

I write to **enclose our full Subject Clinic Schedule below this letter** with clinics held before school, during lunchtime and after the usual school day.

**Subject Clinics intend to address and target any gaps in knowledge or exam technique which we have identified for improvement from the Year 11 and Year 13 PPEs (pre-public-exams) in November.** Each session has been specifically designed to focus on and close these gaps and it would be extremely advantageous for your child to attend as often and as many of these sessions as possible.

Subject Clinics involve additional teaching and learning time as part of smaller groups of students, led by our most experienced members of staff; extra learning and access to subject experts makes a significant difference to student outcomes in the summer exams.

We have made students aware that these are drop-in sessions and they have the freedom to make their own decisions about which they wish to attend each week. A number of students will be targeted to attend specific subjects and will receive further communication on this matter in due course.

We look forward to working with your child on achieving our common goals as we collectively **'Strive For Five Grades, At Grade Five'** this summer.

Yours faithfully,

Mr. Tom Rich

**Deputy Headteacher – Curriculum**
