

15th July 2026

Dear Parents and Carers

As we reach the end of Year 10, I wanted to take the opportunity to share with you some updates and reminders ready for Year 11 and to signpost some important information for next academic year.

Pre-Public Examination (PPE) Reflections

I would like to take this opportunity to thank you for your continued support over the last few weeks during the PPEs. Your encouragement and involvement have played a key role in helping students prepare and perform at their best, and we truly appreciate the partnership between school and home during this crucial time. We have been really impressed by how well students have approached their first PPEs despite the very warm weather we had at the time. Their commitment, resilience and determination have been clear to see, and we are incredibly proud of the way they have risen to the challenge.

As we transition into Year 11, our focus shifts to building on the feedback from these mocks, identifying areas for improvement, and pushing forwards to ensure every student is fully prepared for success in summer 2026.

Attendance & Punctuality

Regular attendance and punctuality are crucial, especially in Year 11. Every lesson matters as students prepare for their final GCSE exams. National data shows that students with over 95% attendance are significantly more likely to achieve strong results. Last year, only 5% of students with attendance below 90% achieved a Grade 5 or higher in English and Maths, and consequently many were then unable to access further education options.

Poor attendance directly impacts GCSE outcomes. We expect all students to attend school regularly, arrive on time, ready and equipped to learn. We are committed to supporting every student, but success depends on being present and fully engaged in learning.

Equipment

It is vitally important that students bring the correct equipment to school each day, being properly equipped is essential for effective learning, progress, and success in all subjects. To ensure that every student is fully prepared, all students are expected to bring a **pencil case** with the following items each day:

A black or blue pen	At least one spare pen	A green pen (for student corrections)
Pencil	Rubber	Ruler
Protractor	Calculator	Gluestick

Being well-prepared allows students to participate fully in lessons and supports their academic progress. We would greatly appreciate your continued support in ensuring your child has all the necessary equipment each day.

GCSE Resources & Revision

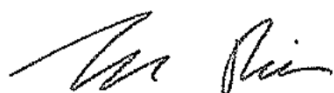

An essential part of students performing well in their final GCSE exams is revision. To support your child's revision at home our subject leaders have recommended textbooks and revision guides. Please find this information attached with this letter.

In the Autumn Term we will be liaising with a company called Maximise to visit the year group – students will benefit from revision strategies and how to motivate themselves and manage their way through Year 11 in order to achieve the best possible grades for their future. More to follow on this in September.

Year 11 Autumn Term – Key Dates

Event	Date
Year 11 Information Evening (Online only) – <i>a link to join the meeting will be sent in September and another with the recorded video sent afterwards if you are unable to join live.</i>	Thursday 17 th September
Academic Progress Day	Tuesday 6 th October
Sixth Former Information Evening	Thursday 15 th October
Year 11 Pre-Public Examinations	Monday 9 th November – Friday 20 th November
Careers Fair	Thursday 26 th November
Year 11 Parents Evening – and Autumn report issued	Thursday 10 th December

Yours faithfully

Mr T Rich
Deputy Headteacher - Curriculum
