

14th September 2026

Dear Parent Carer

Academic Progress Day Tuesday 6th October

I would like to invite you to attend a meeting with your son/daughter's form tutor, at which their Academic Progress Reports will be issued. You will have an opportunity to discuss their progress and work with your child and their tutor to set targets for this academic year to ensure they achieve their best. We very much hope you can join us on the day.

These meetings are approximately 15 minutes long and will take place on Tuesday 6th October. They will take place during the day at Wexham school and we would hope that all parents will attend.

The arrangements for the day are as follows:

- Academic Progress Day runs from 8.15am until 4.45pm
- All students will be required to remain at home on the day and attend the meeting **in full school uniform** with their parent/carer at the allocated time.
- Students will be set work to complete at home on the day by the teachers who would normally teach them.
- Please aim to arrive at least 15 minutes before your appointment in order to register and obtain vital information.

Booking your appointment slot

The school has an online booking system to allow you to select an appointment time convenient to you.

Please follow the link [SchoolCloud - Wexham School](#) or search <https://wexham.schoolcloud.co.uk/> where you will see the page below. Please input the details you provided to the school to log in. If you have shared with the school your child's sibling/s, they will also be visible allowing you to book their appointments at the same time. If they are not visible, you will need to log on for each child separately.

Please do not book the same appointment times for all your children as each child has a different tutor.

If you are unable to log in, please contact the main reception who will be able to help you. The school uses this platform for booking all parental evening meetings.

Yours faithfully

Ms S Bains
Deputy Headteacher
