Dear Parent/Carer

Year 10 Information Evening Follow-up

Thank you for those who were able to join us a couple of weeks ago for the online Information Evening event.

We know there is a lot of information to take on board as your child steps up and into Year 10 and Key Stage 4 and there is a lot that will depend on the outcomes and final grades which they achieve at the end of Year 11.

I am writing briefly to inform you that the Year 10 Information Evening presentation is now uploaded to the school website under the 'Letters to Parents/Carers' section:

Please note that the deadline for your child to submit a signed request to change an option subject at school is Friday 2nd October. Hopefully they are happy with what they have chosen and any changes can be minimised as much as possible. After this date we will not process or approve any further subject swaps

Yours faithfully
