

15th October 2026

Dear Parent/Carer

Year 11 'Maximise' Event Tuesday 20th October

Thank you for those of you who were able to join us some weeks ago for the online Information Evening.

You may recall us mentioning that 'Maximise' would be visiting on 20th October to support your child in preparation for their first set of Year 11 PPEs (pre-public exams). Topics which 'Maximise' will cover are:

- Increasing their motivation to study.
- Guidance on a range of revision skills.
- Building resilience and managing exam pressure.
- Building an exam timetable.

Maximise will speak to your son/daughter in school instead of some of their normal lessons that morning so it is *vitaly important that they attend school punctually that day.*

Some useful information we have recently shared with you can be found via these links to the school website:

Year 11 practice exams start from Monday 9th November and finish on Friday 20th November after which a full report on their latest results and progress so far will be issued at **Year 11 Parents Evening on 10th December.**

I wish all of Year 11 the very best of luck in their studies over half-term in preparation for their practice exams and will be in contact by letter with the finalised practice exam schedule next week to ensure they manage their time properly in order to fulfil their potential and 'Strive For 5 Grades At 5'.

Yours faithfully
